

CPTC CAREER PATHWAYS Health Unit Coordinator/Nursing

Career Cluster:

CAREER OPPORTUNITIES

[Health Unit Coordinator](#)

Prepares the student for a position as a coordinator of activities at the nursing unit desk.

Program objectives to achieve this goal give the student the competencies needed in communications, human relations, anatomy and physiology, medical terminology, health unit coordinator tasks, and unit management. As the communicator for the hospital unit, it is essential that the student has the ability to read, write, understand and speak English.
