

CPTC CAREER PATHWAYS Medical Assistant

Career Cluster: Manufacturing

CAREER OPPORTUNITIES

Medical Assistant

Medical Assistant Program (MAP) graduates may assume positions as multi-skilled allied health professionals who perform a wide range of duties in physicians' offices, clinics, and other outpatient healthcare settings.

This program is accredited through the Commission on Accreditation of Allied Health Education Programs (CAAHEP). Upon successful completion of the MAP, students will receive a Certificate of Completion and be eligible to take the national certification exam to become a Certified Medical Assistant (CMA)
