MULTIMEDIA PRODUCTION: WEB DESIGN

The Associate in Technical Arts (ATA) in Multimedia Production: Web Design is for students interested in becoming Internet web designers. Students study drawing, illustration, design, photography, video, audio, web design, and graphic arts while building computer skills leading to the production of several comprehensive interactive multimedia web site projects. Students learn how to work with clients and agencies and also develop a personal portfolio of their work by the end of the second year. The primary focus of the degree is job preparation, though a number of the courses within the degree are transferable.

CAREER & TECHNICAL EDUCATION OPPORTUNITIES

Courses are connected to and articulated with high schools via Tech Prep credit. If your school district is listed below, contact your counselor for information on earning Tech Prep credit.

Everett School District	Mukilteo School District
Granite Falls School District	Snohomish School District
