Digital Filmmaking and Digital Media

Timothy Hagan
Full Time Faculty
(360) 792-6050

Students will practice digital media techniques and strategies that include photography, video, web, and design projects that prepare them for working with clients and within organizations to meet digital media-based technical needs.

As a student of the OC Film School, you will learn all of the skills needed to compete in this new frontier of digital film, at a fraction of the cost of other schools.
