Successful completion of this program will help prepare graduates with the knowledge, skills, and ability to function effectively, either singly or as a member of a team developing a technical project which might involve design, construction, installation, manufacturing, testing, evaluation, research, data, or maintenance.

**Associate's Degree Completion Options**

**Choose a Pathway to Completion**

Choose one of the following five pathways to complete the Associate in Applied Science in Engineering Technology degree:

- Manufacturing Machining
- Manufacturing Composites
- Technical Design Mechanical
- Technical Design Architectural/Civil
- Technical Design GIS

**Job Outlook and Wages**

- Engineering Technician
- Manufacturing Engineering Technician
- Manufacturing Production Technician
- Architectural Drafters
- Civil Drafters
- Mechanical Drafters

**Pathway to Bachelor's Degree**

Old Dominion University

**Job Outlook and Wages**

- Architectural Engineering Managers
- Transportation Engineers

**Entrance Considerations**

- Admissions
- Enrollment Prep
- Active Duty Military
- Veterans
- Running Start
- Tech Prep
- IB/AP

**Employment Assistance**

- Fund Your Education
- Financial Aid
- Veteran Benefits
- Active Duty & Family
- BFET
- Worker Retraining
- Workfirst

**Career Exploration**
