"In today's economy, the best jobs will go to the best educated -- whether they live in the United States or India or China. That's why every high school graduate needs some higher education, whether a university degree, a community college or industry

certification." -President Obama

This way for a living wage, more employment options, and better employability.

PATHWAYS TO PIERCE PROGRAMS

Take your credits and get started in one of these programs:

Associate of Science Track 1 - Transfer
