#### Take Note:

*This is a great  
asset  
on a resume  
for any job!*

"In today's economy, the best jobs will go to the best educated -- whether they live in the United States or India or China. That's why every high school graduate needs some higher education, whether a university degree, a community college or industry certification."

-President Obama

*This way for a living wage, more employment options, and better employability.*
